) **(FIRST REQUEST)**

The parties stipulate and request that the Court enter an order  
continuing the deadline for filing a joint discovery plan and scheduling

1 order pending resolution of either: (1) defendants' Motion to Stay Pending  
2 Transfer to MDL No. 2197 – *In re: DePuy Orthopaedics, Inc. ASR Hip Implant*  
3 *Products Liability Litigation*, (#2); or (2) plaintiffs' Motion to Remand (#6).

4 This is the first continuance sought in connection with this  
5 deadline. The parties request it because the Court's disposition of either  
6 one of these two pending motions may obviate the need for any discovery  
7 or other proceedings in this Court. If the Court grants defendants' motion  
8 to stay all proceedings pending MDL transfer, no discovery will be had in  
9 this Court. If the Court grants plaintiffs' motion to remand, the Court will  
10 no longer have jurisdiction and no discovery or other action will be taken  
11 in this Court.

12 The parties thus submit that good cause exists for continuing  
13 the deadlines imposed by Fed. R. Civ. P. 26(f) and respectfully request that  
14 the Court enter an order continuing the deadline for filing a joint discovery  
15 plan and scheduling order until it issues a decision on defendants' motion  
16 to stay or plaintiffs' motion to remand. If the Court denies both motions,  
17 the parties request that the deadline for filing a stipulated discovery plan

17 IT IS SO ORDERED. The deadline for submitting the joint  
18 discovery plan and scheduling order is continued until decision on  
19 defendants' motion to stay (#2) and/or plaintiffs' motion to remand (#6). If
